Girl I've been looking for you And when I saw you I knew

Fill in the gaps

Finally Found You by Enrique Iglesias & Sammy Adams

You know I'm gon' get ya	That I finally found
Yeah	I finally found you
Whatever it takes to	I finally found
Get there	I finally found you
No I won't drop you	Yeah, so can I get love
Like everybody else does	Too much to ask for
Forget about your friends	Really so tough
They don't care where we go	Find yourself moving
If they do	With the sex in the drums
We'll get lost in a crowd of people	Got my hands full
I've been looking for you forever baby we go	Grabbing on skirts, skirts
Together baby we go, we go	Hands up, hands up
In this crazy world of choices I've only got a few	Dance floor chillin' while I hold two cups
Either you're coming with me	Can't stop spilling,
Or I'm coming with you	'Cause I'm drunk as ****
Cause I finally found	And my song comes on
I finally found you	And the club goes nuts
You'll never have to (1) if I what I say is true	Everytime the side goes
Girl I've been looking for you	City I sleep best that all know
And when I saw you I knew	Running around and doing all these shows
That I finally found	Round the whole globe
I (2) found you	And come, and you go girl
I'm coming I'll get ya	Ain't it (6) to think of it
Yeah	Just arrive for the night, baby live a bit
We have a connection, that's right	With a place to hit
This girl I'm not letting go	And your plans to see
I'm (3) make you feel right	You can make a (7) and party
(Oh) yeah	Are you into it?
Forget about your friends	
They don't care where we go	In this crazy world of choices I've only got a few
If they do	Either you're coming (8) me
We'll get lost in a crowd of people	Or I'm coming with you
I've been looking for you forever (4) we go	'Cause I finally found
Together (5) we go, we go	I (9) found you
In this crazy world of choices I've only got a few	Finally, finally, found you
Either you're coming with me	Finally, finally, finnally found
Or I'm coming with you	Finally found
'Cause I finally found	I finally found you
