

And it feels like I am just too close to love you

Fill in the gaps

Too Close by Maddi Jane & CJ Holland

You know I'm not one to break promises	There's nothing I can really say
I don't wanna (1) you but I need to breathe	I can't lie no more, I can't hide no more
At the end of it all, you're (2) my (3)	Got to be true to myself
friend	And it feels like I am just too close to love you
But there's something (4) (5)	I So I'll be on my way
need to release	I'll be on my way
	I'll be on my way
Which way is right, which way is wrong	(Hmm oh oh oh)
How do I say that I need to move on	I'll be on my way
You know we're heading is separate ways	I'll be on my way
And it feels (6) I am just too (7) to	You know I'm not one to break promises
love you	I don't wanna hurt you
There's (8) I can really say	And it feels like I am just too close to love you
I can't lie no more, I can't hide no more	There's nothing I can really say
Got to be true to myself	I can't lie no more, I can't hide no more
And it feels like I am just too close to love you	Got to be true to myself
So I'll be on my way	And it feels like I am just too close to love you
You're giving me more that I can return	So I'll be on my way
Yet there's (oh) so much (9) you deserve	
Nothing to say, nothing to do	
I've nothing to give, I must leave without you	
You know we're heading separate ways
