Too Close by Maddi Jane & CJ Holland

You know I'm not one to (1) promises	There's nothing I can really say
I don't wanna hurt you but I (2) to breathe	I can't lie no more, I can't (7) no more
At the end of it all, you're still my best friend	Got to be true to myself
But there's something inside that I need to release	And it feels like I am just too close to love you
	So I'll be on my way
Which way is right, which way is wrong	I'll be on my way
How do I say that I need to move on	I'll be on my way
You know we're heading is separate ways	(Hmm oh oh oh)
And it feels like I am just too close to love you	I'll be on my way
There's nothing I can really say	I'll be on my way
I can't lie no more, I can't hide no more	You (8) I'm not one to break promises
Got to be true to myself	I don't wanna (9) you
And it feels like I am just too close to love you	And it feels like I am just too close to love you
So I'll be on my way	There's nothing I can really say
You're giving me (3) that I can return	I can't lie no more, I can't hide no more
Yet there's (oh) so much (4) you deserve	Got to be true to myself
Nothing to say, nothing to do	And it feels like I am just too close to love you
I've nothing to give, I must leave without you	So I'll be on my way
You know we're (5) separate ways	
And it feels like I am (6) too close to love you
