Fill in the gaps

This Was A Movie (Cover) by Maddi Jane

Last night I heard my own heart beating	Stand in the rain outside
Sounded like footsteps on my stairs	'Til I came out
Six months gone and I'm still reaching	Come back, come back to me
Even though I know you're not there	Like you could, you could if you just said you're sorry
I was playing back a thousand memories, baby	I (7) that we (8) work it out
Thinkin' 'bout everythin' we've been through	somehow
Maybe I've been goin' back too much lately	But if this was a movie you'd be here by now
When time stood still and I had you	If you're out there, if you're somewhere
So come back, come back to me	If you're moving on
Like you would, you would if this was a movie	I've be waiting for you ever since you've been gone
Stand in the rain outside	I just want it back the way it was before
'Til I came out	And I just wanna see you back at my front door
So come back, (1) back, come back to me	And I say come back, come back, come back to me
Like you could, you (2) if you just said you're	Like you would before you said it's not that easy
sorry	Before the fight, before I locked you out
I know that we could work it out somehow	But I'd take it all back now
But if this was a movie you'd be (3) by now	Come back, come back to me
I know people (4) and these things happen	Like you would, you would if this was a movie
But I remember how it was back then	Stand in the rain outside
Wrapped up in your arms	'Til I came out
And our friends were laughing	Come back, come back to me
'Cause (5) like this ever happened to them	Like you could, you could if you just said sorry
Now, I'm pacing down the hall	I know that we could work it out somehow
Chasing down your street	But if this was a movie you'd be here by now
Flashback to the night when you said to me	You'd be here by now
That nothing's gonna change	Come back, come back to me
Not for me and you	Come back, come back to me
That before I knew how much I had to lose	That you'd be here by now
Come back, (6) back, come back to me	
Like you would, you would if this was a movie
