If This Was A Movie (Cover) by Maddi Jane

Last night I heard my own heart beating	Stand in the rain outside
Sounded like (1) on my stairs	'Til I came out
Six (2) gone and I'm still reaching	Come back, come back to me
Even (3) I know you're not there	Like you could, you could if you (15) said you're
I was playing back a thousand memories, baby	sorry
Thinkin' 'bout everythin' we've been through	I (16) that we could (17) it ou
Maybe I've (4) goin' back too much lately	somehow
When time stood (5) and I had you	But if this was a movie you'd be here by now
So come back, come back, come (6) to me	If you're out there, if you're somewhere
Like you would, you would if this was a movie	If you're moving on
Stand in the rain outside	I've be (18) for you ever since you've beer
'Til I came out	gone
So come back, come back, come (7) to me	I just want it back the way it was before
Like you could, you could if you just said you're sorry	And I just (19) see you back at my front door
I know that we could work it out somehow	And I say come back, (20) back, come back to me
But if this was a movie you'd be here by now	Like you would before you said it's not (21) easy
I know people (8) and these things happen	Before the fight, before I locked you out
But I remember how it was (9) then	But I'd take it all back now
Wrapped up in your arms	Come back, (22) back, come back to me
And our friends were laughing	Like you would, you would if (23) was a movie
'Cause (10) like this ever	Stand in the rain outside
(11) to them	'Til I came out
Now, I'm pacing down the hall	Come back, come back to me
Chasing down your street	Like you could, you could if you (24)
Flashback to the night (12) you said to me	(25) sorry
That nothing's gonna change	I (26) that we could work it out somehow
Not for me and you	But if this was a movie you'd be here by now
That before I knew how (13) I had to lose	You'd be (27) by now
Come back, come back to me	Come back, come back to me
Like you would, you (14) if this was a movie	Come back, come back, come back to me
	That you'd be here by now
