

Fill in the gaps

You won't hear me
But you'll feel me
Without warning
Something's dawning
Listen, listen
Then within (1) senses
You'll know you're defenseless
How your heart beats
When you run for cover, cover
You can't retreat
I spy (2) no other
Then we race together
We can ride forever
Wrapped in horsepower
Driving into fury
Changing gear
I (3) you tighter to me
I'm your turbo lover
Tell me there's no other
I'm your turbo lover
Better run for cover
We hold each other closer
As we (4) to overdrive
And everything goes rushing by

With (5) nerve alive
We (6) so fast it seems as though
We've taken to the sky
Love machines in harmony
We hear the engines cry
I'm your turbo lover
Tell me there's no other
I'm your turbo lover
Better run for cover
On and on
We're charging to the place so many seek
In (7) synchronicity
Of (8) so many speak
We feel so close to heaven
In (9) roaring heavy load
And then in sheer abandonment
We shatter and explode, explode
I'm your turbo lover
Tell me there's no other
I'm your turbo lover
Better run for cover
I'm your turbo lover
