# Nymphetamine by Cradle Of Filth

### Fill in the gaps

Led to the river	(Back in the forest where whispers persuade)
Midsummer, I wave	(More sugar trails, more white lady laid)
A 'V' of black swans	(Than pillars of salt)
On with hope to the grave	Fall to my arms
And through red September	Hold their mesmeric sway
When skies fire-paved	And (14) out to the moon
I begged you appear like	As we did in (15) golden days
A (1) for the holy ones	Christening stars
Cold was my soul	I remember the way
Untold was the pain	We were needle and spoon
I faced, when you left me	Mislaid in the (16) hay
A (2) in the rain	Bared on your tomb
So I (3) to the razor	I am a prayer for your loneliness
That never, enchained	And would you ever swoon
Would your (4) nails of faith	Come above unto me?
Be (5) through my veins again	For once (17) a time
Bared on your tomb	From the bind of your holiness
I am a prayer for your loneliness	I could always find
And (6) you ever soon	The right slot for (18) sacred key
Come above unto me?	Six (19) deep is the incision
For once (7) a time	In my (20) (21) barless prison
From the (8) of (9) loneliness	Discolors all with (22) vision
I (10) always find	Sunsetter, nymphetamine
The right slot for your sacred key	Sick and weak from my condition
Six feet deep is the incision	This lust, (23) vampiric addiction
In my heart that barless prison	To her (24) in full submission
Discolors all with tunnel vision	(None better) nymphetamine
Sunsetter, nymphetamine	(Sunsetter) nymphetamine
Sick and weak from my condition	
This lust, (11) (12) addiction	(None better) nymphetamine
To her alone in full submission	Nymphetamine, nymphetamine
None better, nymphetamine	Nymphetamine girl
Nymphetamine, nymphetamine	Nymphetamine, nymphetamine
Nymphetamine girl	My (25) gir
Nymphetamine, nymphetamine	
My nymphetamine girl	
(Wracked with your charm, I'm (13) like	
prey)
