## Stand In Earl Over 19

An end to hopelessness

## Stand Up For Love by Destiny's Child

There are times			A giving up
I find it hard to sleep at night			Of suffering
We are living through such troubled times			If we all stand together (6) one time.
And there's a child			Then no one will get (7) behind
That reaches out for someone to hold			Stand up
For one moment they become my own			For life
And how can I			Stand up
Pretend that I don't know what's going on			For love
When every second, every minute			And it all starts right here
Another soul is gone			And it starts right now
And I believe			One person stands up and
That in my life I will see			And the rest will follow
An end to hopelessness			For all the forgotten
A giving up			For all the unloved
Of suffering			I'm gonna sing this song
If we all stand (1)	(2)	one	And I believe
time			That in my life I will see
Then no one will get (3) behind			An end to hopelessness
Stand up			A (8) up
For life			Of suffering
Stand up			If we all stand together this one time
For love			Then no one (9) get left behind
I'm inspired			Stand up
And hopeful each and every day			For life
That's how I know that things are gonna change			Stand up
So how can I			And sing, yeah
Pretend that I don't know what's (4)	on		Stand up
When (5) second, every minute		For love	
Another soul is gone			For love, for love
Now, I believe			
That in my life I will see
