

Fighting for the lives of her children

Oh Mother, we're stronger

## Fill in the gaps

whoa, yean	From all of the tears you have shed
She was so young with (1) innocent eyes	Oh Mother, don't look back
She always dreamt of a fairytale life	'Cause he'll never hurt us again
And all the things that your money can't buy	So Mother, I thank you
She thought (2) he was a wonderful guy	For all that you've done and still do
Then suddenly things seemed to change	You got me, I got you
It was the moment she took on his name	Together we always pull through
He took his anger out on her face	Oh Mother, oh Mother
She kept all of her pain (3) away	All of your life you have spent
Oh Mother, we're stronger	Burying hurt and regret
From all of the tears you have shed	But mama
Oh Mother, don't look back	He'll never touch us again
'Cause he'll never hurt us again	For every time he (7) to break you down
So Mother, I thank you	Just remember who's still around
For all that you've done and still do	It's over and we're stronger
You got me, I got you	And we'll never have to go (8) again!
Together we always pull through	Oh Mother, we're stronger
We always pull through	From all of the tears you have shed
We always pull through	Oh Mother, don't look back
Oh Mother, oh Mother	'Cause he'll never hurt us again
It was the day that he turned on the kids	So Mother, I thank you
That she knew she (4) had to leave him	For all that you've done and still do
So (5) voices (6) of her head	You got me, I got you
Saying over and over	Together we always pull through
"You deserve much more than this"	We (9) pull through, yeah
She was so sick of believing the lies and trying to hide	We always (10) through, yeah
Covering the cuts and bruises	I love you Mom
So tired of defending her life, she could have died
