

Where were you when I hit the ground?

## Fill in the gaps

## Golden Parachutes (Acoustic) by Hawthorne Heights

When the (1) and the dark collide	In a (13) that's upside down
There'll be nothing (2) for us to hide	This will all come (14) around
As we search for the other side	And you'll be on (15) own
We will be fighting another war inside	You'll be all alone
As the (3) flags (4) to fly	When this all comes back around
Still fight until we hey	Die for the golden parachutes
Die for the golden parachutes	It isn't (16) that's left to lose
It isn't your life that's left to lose	Die for the golden parachutes
Because you gave it all away	Hey
What else can I say	Die for the golden parachutes
When the cities (5) turned to dust	It isn't your life that's left to lose
There'll be nothing left for us to trust	Because you (18) it all away
As we (6) through the ash and rust	What else can I say
We will be fighting another war in disgust	In a (19) that's (20) down
As the (7) flags begin to fly	Where were you when I hit the ground?
Still (8) we hey	In a world that's upside down
Die for the (10) parachutes	This will all come (21) around
It isn't your life that's (11) to lose	And you'll be on your own
Because you gave it all away	You'll be all alone
What else can I say	When (22) all (23) (24)
In a world that's (12) down	around
