This was your city
You did it all and more
Broke every law except for one, babe
Attraction
Are you ready
I know you feel it
Pull you nearer till you feel it again
I wanna do something right
But we can do something better
Ain't no time like tonight
And we ain't trying to save it till later
Stay out here living the life (yeah)
Nobody cares who we are tomorrow (come on now)
You got that little some I like
A little some I've been wanting to borrow
Tonight's the night, come on surrender
I won't lead your love astray
Astray (yeah)
Your love's a weapon
Give your (1) some direction

Come on, use me up until there's nothing left
(Take back the night)
