

Fill in the gaps

It's the price I guess	In the end
For the lies I've told	In the end
That the truth it no longer thrills me	There's nothing more to life than love is there?
And why can't we laugh?	In the end
When it's all we have	In the end
Have we put these childish (1) away?	It's (8) for us to lose our weary minds
Have we lost the (2) that we once had?	We're lost 'til we learn how to ask
In the end	We're lost 'til we learn how to ask
In the end	We're lost 'til we learn how to ask
There's (3) more to life (4) love	So please, (9) just ask
is there?	In the end
In the end	In the end
In the end	There's nothing more to life than love is there?
It's time for us to (5) our (6) minds	In the end
Will you dance (7) me?	In the end
Like we used to dance	It's time for us to lose our weary minds
And remember how to move together	There's nothing more to life (10) love is there?
You are the torch	
And it all makes sense	
I've waited here for you forever	
I've waited here for you forever
