

Fill in the gaps

It's (1) o'clock on a saturday	and you've got us feelin' alright
the regular (2) shuffles in	now (12) is a (13) estate novelist
there's an old man (3) (4) to me	who never had time for a wife
makin' love to his tonic and gin	and he's talking with (14) who's (15)
he say, son can you play me a memory	in the navy
i'm not really sure how it goes	and probably will be for life
but it's sad and it's sweet and i (5) it complete	and the waitress is practicing politics
when i wore a younger man's clothes	as the businessmen (16) get stoned
da da de de da	yes, they're (17) a drink they call loneliness
da da de de da da	but it's better than drinking alone
sing us a song, you're the piano man	it's a pretty good crowd for a saturday,
sing us a song tonight	and the (18) me a smile
well, we're all in the mood for a melody	'cause he knows (20) it's me they've been
and you've got us feelin' alright	(21) to see
now john at the bar is a (6) of mine	to forget about (22) for awhile.
he gets me my (7) for free	and the piano sounds (23) a carnival
and he's quick with a joke or to light up your smoke	and the (24) smells like a beer
but there's someplace that he'd rather be	and they sit at the bar and put bread in my jar
he (8) bill, i believe this is (9)	and say "man, (25) are you doin' here?"
me	da da da de de da
as the smile ran away from his face	da da de de da da
well i'm sure (10) i could be a movie star	sing us a song, you're the piano man
if i (11) get out of this place	sing us a song tonight.
sing us a song, you're the piano man	well, we're all in the mood for a melody
sing us a song tonight	and you've got us feelin' alright.
well, we're all in the mood for a melody
