

Fill in the gaps

The perfect words never crossed my mind	The only (15) and the
'Cause (1) was nothing in (2) but	(16) joy
you	Is the (17) spark of forgiveness in your eyes
I felt every ounce of me (3) out	There you are standing right in (18) of me
But the sound was (4) deep in me	There you are standing right in (19) of me
All I (5) just sped right past me	All (20) fear falls away to leave me naked
While I was (6) fast to the earth	Hold me close
I could be stuck (7) for a thousand years	'Cause I (21) you to guide me to safety
Without (8) (9) to drag me out	There you are standing right in (22) of me
There you are standing right in front of me	There you are standing right in (23) of me
There you are (10) right in front of me	All this (24) falls away to (25) me
All (11) (12) (13) away to	naked
leave me naked	Hold me close
Hold me close	'Cause I need you to guide me to safety
'Cause I need you to guide me to safety	No, I (26) wait forever
No, I wont wait forever	No, I (27) wait forever
No, I wont wait forever	No, I (28) wait forever
In the confusion and the aftermath	
You are my (14) fire
