

Fill in the gaps

I'll (1) it one last time for you		Makes it so hard not to cry	
Then we (2) to	go	And as we say our long go	oodbye
You've been the (4) (5)	that's right	I nearly do	
In all I've done		Light up, light up	
And I can barely (6) at you		As if you have a choice	
But (7) single time I do		Even if you (16)	hear my voice
I know we'll make it anywhere		I'll be (17) (1	18) you dear
Away (8) here		Have heart my dear	
Light up, light up	ht up, light up We're bound to be afraid		
As if you have a choice		Even if it's just for a few days	
Even if you (9) (10)	_ my voice	Making up for all this mess	3
I'll be right beside you dear		Light up, (19)	up
Louder louder		As if you (20) a	choice
And we'll run for our lives		Even if you (21)	hear my voice
I can (11) (12) I	understand	I'll be right (22)	you dear
Why you can't raise your voice to say			
To (13) I (14)	not see		
(15) eyes
