When I lose my head, I lose my spine

Fill in the gaps

Hopeless Wanderer by Mumford & Sons

You heard my voice	So leave (8) click in my head
I (1) out of the woods by choice	And I won't remember the words that you said
Shelter (2) gave their shade	You brought me out from the cold
But in the dark I have no name	Now, how I long, how I long to grow old
So leave that click in my head	So when your hope's on fire
And I will (3) the words that you said	But you know (9) desire
Left a clouded (4) and a heavy heart	Don't hold a glass over the flame
But I am sure we could see a new start	Don't let your heart grow cold
So (5) your hopes on fire	I will call you by name
But you know your desire	I will share your road
Don't hold a glass over the flame	Hold me fast, hold me fast
Don't let your heart grow cold	'Cause I'm a hopeless wanderer
I (6) call you by name	Hold me fast, hold me fast
I will share your road	'Cause I'm a hopeless wanderer
Hold me fast, hold me fast	I will learn
'Cause I'm a (7) wanderer	I will learn to love the skies I'm under
Hold me fast, hold me fast	I will learn
'Cause I'm a hopeless wanderer	I will (10) to love the skies I'm under
I wrestled long with my youth	The skies I'm under
We tried so hard to live in the truth	
But do not tell me all is fine
