Fill in the gaps

I can't believe it's over
I watched the (1)_____ thing fall
And I never saw the writing (2)_____ was on the wall
If I'd only knew
The days (3)_____ slipping past
That the good things never last
That you were crying
...
Summer turned to winter
And the snow it turned to rain
And the rain turned (4)_____ tears upon your face
I hardly recognized
The (5)_____ you are today
And god I hope it's not too late
...
It's not too late
'Cause you are not alone
I'm always there with you
And we'll get lost together
Till the light (6)_____ pouring through
'Cause when you feel like you're done
And the darkness has won
Babe, you're not lost...
When your worlds crashing down
And you can't bear the thought
I said, babe, you're not lost

Life can show no mercy
It can (7)_____ your soul apart
It can make you feel like you've gone crazy
But you're not
Things (8)_____ seem to changed
There's one thing that's still the same
In my heart you have remained
And we can fly fly fly away
'Cause you are not alone
And I am there with you
And we'll get lost together
Till the light (9)_____ pouring through
'Cause when you feel like you're done
And the darkness has won
Babe, you're not lost
When the (10)_____ crashing down
And you can not bear to crawl
I said, baby, you're not lost
...
I said, baby, you're not lost
I said, baby, you're not lost
...
I said, baby, you're not lost
