I watched the whole thing fall
And I never saw the writing that was on the wall
If I'd (1)_____ knew
The days were slipping past
That the good things (2)_____ last
That you were crying
...
Summer turned to winter
And the snow it turned to rain
And the rain turned into tears upon your face
I (3)_____ recognized
The girl you are today
And god I hope it's not too late
...
It's not too late
'Cause you are not alone
I'm always there with you
And we'll get lost together
Till the (4)_____ comes pouring through
'Cause (5)_____ you feel like you're done
And the (6)_____ has won
Babe, you're not lost...
When (7)_____ worlds crashing down
And you can't (8)_____ the thought
I said, babe, you're not lost

Life can show no mercy
It can tear your soul apart
It can make you feel like you've gone crazy
But you're not
Things have seem to changed
There's one (9)_____ that's still the same
In my heart you have remained
And we can fly fly fly away
'Cause you are not alone
And I am there with you
And we'll get lost together
Till the light comes pouring through
'Cause when you feel like you're done
And the darkness has won
Babe, you're not lost
When the (10)_____ crashing down
And you can not bear to crawl
I said, baby, you're not lost
