

# Fill in the gaps

### Right Place Right Time by Olly Murs

We got our eyes wide open	Hoping we can make (11) a (12) night
Feeling (1) we are almost there	This is why we came, yeah
Words unspoken	I can (13) it in my veins
Disappearing in the air	So this is what it (14) like
All I see is you and I	Right place, the (15) time
You're the only lifeline	With you
That I (2) tonight	Right place, the right time
I'm letting go	With you
So (3) is (4) it feels like	Right place, the (16) time
Be in the right place, the right time	Right here and now (17) (18) forever
I'm bringing of a delight	Never touch the ground
Hoping we can make this a long night	When we are together
This is why we came, yeah	Right here and now feels (19) forever
I can feel it in my veins	Forever, forever
So this is what it (5) like	So this is what it feels like
Right place, the right time	Be in the right place, the right time
Loud explosions	I'm (20) of a delight
Only you and I can hear	Hoping we can (21) this a long night
Doors fly open	Right place, the (22) time
You're the (6) for all my fears	Right place, the (23) time
All I see is you and I	Right here and now (24) like forever
You're the only lifeline	(Never touch the ground)
That I (7) tonight	(When we are together)
I'm (8) go	Right here and now feels like forever
So this is (9) it feels like	Right place, the right time
Be in the (10) place, the right time	
I'm bringing of a delight
