Fill in the gaps

Loving You by Matt Cardle & Melanie C

Leave your door open	It's not (4)	for (5)	hear
I wanna come over	Who do you think about when I'm not with you?		
The night is only young	Does somebody hold you when you let me go?		
I wanna get under (1) body	You can't hide, you can't lie		
Take you over, come undone	'Cause baby I'm loving, loving, loving you		
But why do we only give it up?	I could tell myself that I don't need you		
Give it up in the dark	I could try to run (6) from the truth		
Cause I can't help thinking	I can't hide, I can't lie		
It's not enough	'Cause baby I'm loving, loving, loving you		
It's not enough for this heart	Would it change if I asked you to stay?		
Who do you think (2) when I'm not with you?	If I pulled, would it push you away?		
Does somebody (3) you when you let me go?	But it's just the (7) I'll take		
You can't hide, you can't lie	'Cause I want (8) loving		
Cause baby I'm loving, loving, loving you	Who do you think about when I'm not with you?		
I could tell myself that I don't need you	Does somebody hold you when you let me go?		
I could try to run away from the truth	You can't hide, you can't lie		
I can't hide, I can't lie	'Cause baby I'm loving, loving, loving you		
Cause baby I'm loving, loving, loving you	I could tell myself that I don't need you		
My door is open	I could try to run away from the truth		
Come on over, the night is still young	I can't hide, I can't lie		
I wanna get over your body	'Cause baby I'm loving, loving, loving you		
Take you under, come undone	Baby I'm loving, loving, (9) you		
But why do we only give it up?	Baby I'm loving, loving, (10) you
