The (1) was blowing and the (2) was	And if I do all the things I do
open	Well, I (12) (13) that I'm staying
But the candle never went out	true
Never went out	Know I'll never stop
The wave found its way to the shore	You know I'll never stop
I thought it was a ripple and nothing more	You know (14) never think about it
But the wave (3) its way all the way	Put an end to all (15) time
To the shore	That I would (16) with it on my mind
(Oh oh) I (4) burn this house	You know it never stopped
I know, I wanna jump into the fire	You know it never stopped
(Oh oh) I've got to (5) them down	You (17) I always wondered (18) it
The pinnacles of my (6) empire	I (19) about the wonder
I know the gamble (7) works twice	(Oh oh no oh oh) I wear a rusting crown
All the distractions of the table	I know this dynasty is falling
And the (8) dice	The (20) shouts for (21)
But the (9) of it feels so nice	round
You'd do it all again	I see the ruin
But I (10) to the chips and lose	The spectacular
I'm standing on the platform	Diamonds buried
With my neck in the noose	Icebergs, the minarets
And I know it's not my time	And the marketplaces
It's not my time	The (22) fires of my
(Oh oh) I wanna burn this house	(23) empire
I know, I (11) jump into the fire	
(Oh oh) I've got to tear them down
