Invisible Empire by KT Tunstall

I thought the candle was gonna go out

The wind was blowing and the (1)_____ was open

But the candle (2)_____ went out

Never (3)_____ out

The wave found its way to the shore

I thought it was a (4)_____ and

(5)_____ more

But the (6)_____ found its way all the way

To the shore

(Oh oh) I wanna burn this house

I know, I wanna jump into the fire

(Oh oh) I've got to tear them down

The pinnacles of my (7)_____ empire

I know the gamble never works twice

All the distractions of the table

And the weighted dice

But the thrill of it feels so nice

You'd do it all again

But I look to the chips and lose

I'm standing on the platform

With my neck in the noose

And I know it's not my time

It's not my time

(Oh oh) I wanna burn this house

I know, I wanna jump into the fire

(Oh oh) I've got to tear them down

The pinnacles of my invisible empire

And if I do all the things I do

Well, I tell myself that I'm staying true

Know I'll never stop

You know I'll never stop

You know I'll never think about it

Put an end to all this time

That I would spend with it on my mind

You know it never stopped

You know it never stopped

You know I always wondered about it

I wondered about the wonder

(Oh oh no oh oh) I wear a (8)_____ crown

I know (9)_____ dynasty is falling

The crowd shouts for (10)_____ round

I see the ruin

The spectacular

Diamonds buried

Icebergs, the minarets

And the marketplaces

The signal fires of my invisible empire

...

Answer

1. door
2. never
3. went
4. ripple
5. nothing
6. wave
7. invisible
8. rusting
9. this
10. another
