

Everything you (6)\_\_\_\_\_ need

## Fill in the gaps

\_ me fall)

| It's the way that you always agree with me      |             |         | Try to always understand                             |         |
|---|-------------|---------|--|---------|
| Even when I'm wrong                             |             |         | Keep you safe, be (7) man                            |         |
| And that sweet sensation you give to me         |             |         | Kiss you in the morning light                        |         |
| Even when you're gone                           |             |         | Watch you fall asleep at night                       |         |
| It's knowing you walk through the night         |             |         | This and so much more I'll do                        |         |
| Just to (1)                                     | I'm alright | or just | 'Cause I'm so in love with you                       |         |
| (2) me  |             |         | (It's making me fall)                                |         |
| It's (3) me see that you care                   |             |         | I will do my best to be                              |         |
| 'Cause your heart's always there                |             |         | Everything you ever need (it's (8)                   | me fall |
| And you'll be right behind me                   |             |         | Try to always understand                             |         |
| It's making me fall                             |             |         | Keep you safe, be your man (it's making me fall)     |         |
| It's making me fall                             |             |         | Kiss you in the morning light                        |         |
| It's making me fall                             |             |         | Watch you fall asleep at night (it's making me fall) |         |
| It's making me fall                             |             |         | This and so much more I'll do                        |         |
| In love   |             |         | 'Cause I'm so in love with you (it's making me fall) |         |
| It's the nights that you always say, "Beautiful |             |         | I (9) do my best to be                               |         |
| Come and lay beside me"                         |             |         | Everything you (10) need (it's making me fall)       |         |
| And through the days I always get messages      |             |         | Try to always understand                             |         |
| Never feeling lonely                            |             |         | Keep you safe, be your man (it's making me fall)     |         |
| It's feeling the warmth of your hand            |             |         | Kiss you in the morning light                        |         |
| On the cheek, you can't stand                   |             |         | Watch you fall asleep at night (it's making me fall) |         |
| Just the thought, of me crying                  |             |         | This and so much more I'll do                        |         |
| It's waking me up in the morning                |             |         | 'Cause I'm so in love with you (it's making me fall) |         |
| Just to tell me the story                       |             |         | I will do my best to be                              |         |
| Bout the day that you met me                    |             |         | Everything you ever need (it's making me fall)       |         |
| It's making me fall                             |             |         | Try to always understand                             |         |
| It's making me fall                             |             |         | Keep you safe, be your man (it's making me fall)     |         |
| It's making me fall                             |             |         | Kiss you in the morning light                        |         |
| It's making me fall                             |             |         | Watch you fall asleep at night (it's making me fall) |         |
| It's making me fall                             |             |         | This and so much more I'll do                        |         |
| It's (4) me fall                                |             |         | 'Cause I'm so in love                                |         |
| It's making me fall                             |             |         | With you   |         |
| It's making me fall                             |             |         |  |         |
| In love   |             |         |  |         |
| I will do my (5) to be                          |             |         |  |         |
