## House of Cards by Radiohead

## Fill in the gaps

| I don't want to be (1) friend           |
|---|
| I just (2) to be your lover             |
| No matter how it ends                   |
| No matter how it starts                 |
| Forget about (3) house of cards         |
| And I'll do mine                        |
| Forget about your house of cards        |
| And I'll do mine                        |
| Fall off the table                      |
| And get swept under                     |
| Denial                                  |
| Denial                                  |
| The (4) will collapse                   |
| From voltage spikes                     |
| Throw your keys in the bowl             |
| Kiss your (5) goodnight                 |
| Forget about (6) (7) of cards           |
| And I'll do mine                        |
| Forget about your (8) of cards          |
| And I'll do mine                        |
|   |
| Fall off the table                      |
| Fall off the table  And get swept under |
|   |
| And get swept under                     |
| And get swept under  Denial             |
| And get swept under  Denial  Denial     |
