

## Fill in the gaps

Two jumps in a week	They're the ones who'll spit at you
I bet you think that's (1) clever	You (9) be the one screaming out
Don't you boy?	Don't leave me high
Flyin' on your motorcycle	Don't leave me dry
Watching all the ground beneath you drop	Don't leave me high
You'd kill (2) for recognition	Don't leave me dry
Kill yourself to never, ever stop	(Oh)
You broke another mirror	It's the best thing (10) you've ever hard
You're turning (3) something you are not	The best thing that you've ever, ever had
Don't leave me high	It's the best thing that you've ever had
Don't leave me dry	The best thing you have had has gone away
Don't (4) me high	So don't leave me high
Don't leave me dry	Don't leave me dry
Drying up in conversation	Don't leave me high
You will be the one who cannot talk	Don't leave me dry
All your insides fall to pieces	Don't leave me high
You just sit (5) wishing you (6) still	Don't leave me high
(7) love	Don't leave me dry
They're the ones who'll hate you	
When you think you've got the world	
All (8) out
