## You Belong With Me by Taylor Swift

You're on the phone with your girlfriend, she's upset	If you (7) see that I'm the one who understands
She's going off about (1) that you said	you
'Cause she doesn't get (2) humor like I do	Been here all along, so why can't you see?
I'm in the room, it's a typical Tuesday night	You belong with me
I'm listening to the kind of music she doesn't like	Standing by and waiting at your back door
And she'll never know your story like I do	All this time how could you not know?
But she wears short skirts, I wear T-shirts	Baby, you belong with me, you (8)
She's Cheer Captain and I'm on the bleachers	(9) me
Dreaming about the day when you wake up and find	Oh, I remember you driving to my house in the middle of the
That what you're looking for has been here the whole time	night
If you could see that I'm the one who understands you	I'm the one who makes you laugh when you know you're 'bout
Been here all along, so why can't you see?	to cry
You, you belong with me, you belong with me	And I (10) your favorite songs and you tell me 'bout
Walking the streets with you and your worn-out jeans	your dreams
I can't help thinking this is how it ought to be	Think I know where you belong, think I know it's with me
Laughing on a park bench, (3) to myself	Can't you see that I'm the one who understands you?
Hey, isn't this easy?	Been here all along, so why can't you see?
And you've got a smile that could light up this whole town	You belong with me
I haven't seen it in a while since she brought you down	Standing by and waiting at your back door
You say you're fine, I know you better than that	All this time, how could you not know?
Hey, what ya (4) with a girl like that?	Baby, you belong with me, you belong with me
She (5) high heels, I wear sneakers	You belong with me
She's (6) Captain and I'm on the bleachers	Have you ever thought just maybe
Dreaming about the day when you wake up and find	You belong with me?
That what you're looking for has been here the whole time	You belong with me
