Do I belong

Fill in the gaps

I Need Your Love by Calvin Harris & Ellie Goulding

I (1) your love	I try to fight this but I know I'm not that strong
I need (2) time	And I (7) so helplessly
When everything's wrong	Watch my eyes are filled with fear
You make it right	Tell me do you feel the same
I feel so high	Hold me in your (8) again
I come alive	I need your love
I need to be (3) with you tonight	I need your time
I need your love	When everything's wrong
I need your love	You make it right
I take a deep breath everytime I pass your door	I feel so high
I know you're there but I can't see you anymore	I come alive
And that's the reason	I need to be (9) with you tonight
You're in the dark	I need your love
I've been a stranger ever since we fell apart	I need your love
And I feel so helplessly	All the years, all the times
Watch my eyes are filled with fear	You were never been to blame
Tell me do you feel the same	And now my eyes are open
Hold me in your arms again	And now my heart is (closing)
I need your love	And all the tears, all the lies, all the waste
I need your time	I've been trying to make it change
When everything's wrong	And now my eyes are open
You make it right	I need your love
I feel so high	I need your time
I (4) alive	When everything's wrong
I need to be free with you tonight	You make it right
I need your love	I feel so high
I (5) your love	I come alive
Now I'm dreaming, will I ever find you now	I need to be free
I (6) in circles but I'll never figure out	
What I mean to you
