## Wake Me Up by Avicii & Aloe Blacc

Feeling my way through the darkness		But I don't have any plans	
Guided by a beating heart		Wish that I could stay (9)	this young
I can't tell where the journey (1) end		Not afraid to close my eyes	
But I (2) where to start		Life's a game made for everyone	
They (3) me I'm too (4)	to	And love is the prize	
understand		So wake me up when it's all over	
They say I'm caught up in a dream		When I'm (10) and I'm older	
Well, life will pass me by if I don't open up my eyes		All this time I was finding myself and I	
Well that's (5) by me		Didn't know I was lost	
So wake me up when it's all over		So wake me up when it's all over	
When I'm wiser and I'm older		When I'm wiser and I'm older	
All this time I was finding myself and I		All this time I was finding myself and I	
Didn't (6) I was lost		Didn't know I was lost	
So wake me up when it's all over		I didn't know I was lost	
When I'm wiser and I'm older		I didn't know I was lost	
All this time I was (7) myself and I		I didn't know I was lost	
Didn't know I was lost		I didn't know (didn't know, didn't know)	
I tried carrying the weight of the world			
But I only have two hands			
Hope I get the chance to (8) the world
