And I'll search for so long		On broken (8) I'm falling
Cry ourselves to sleep		And it won't be long
We will sleep alone forever		The skin on me is burning
Will you lay me down		By the fires of the sun
In the same place with all I love		On skinned knees I'm bleeding
Mend the broken homes		And it won't be long
Care for them they are our brothers		I've got to (9) that meaning
Save the fading light in our souls		And I'll search for so long
In my opinion seeing is to know
