Fill in the gaps

Blurred Lines by Robin Thicke & Pharrell & T.I.

Everybody get up
Everybody get up
If you can't hear
What I'm trying to say
If you can't read
From the same page
Maybe I'm going deaf
Maybe I'm going blind
Maybe I'm out of my mind (everybody get up)
Ok, now he was close
Tried to domesticate you
But you're an animal
Baby it's in (1) nature
Just let me liberate you
You don't need no takers
That man is not your maker
And that's why I'mma take a (2) girl
I know you want it
I know you want it
I know you want it, you're a good girl
Can't let it get passed me
You're far from plastic
Talking about getting blasted
I hate these blurred lines
I know you want it
I know you want it
I know you want it, but you're a good girl
The way you grab me

Must wanna get me nasty

Let me be the one you back that ass into			
Yo, from Malibu to Paribu, yeah			
Had a bitch, but she ain't bad as you, so			
Hit me up when you pass through			
I'll give you something big (7) to tear your ass to			
Swag on, even (8) you dress casual			
I mean it's not almost unbereable			
Then honey when you're not there when I'm			
With my (9) bitch you pay me by			
Nothing like your last guy he's too square for you			
He don't smack that ass and pull your hair like that			
So I jail watch			
Hand wave			
For you to salute			
But you didn't pick			
Not many women can refuse this pimping			
But I'm a nice guy			
But you get it if you get with me			
Shake that vibe			
Get down			
Get up			
Do you like it hurt			
Like it hurt			
What you doing like word			
Baby can you breathe			
I got this from Jamaica			
It always works from me			
Dakota to Dakata			
No more pretending			

'Cause now you're winning
