

Bills, Bills, Bills by Destiny's Child

At first we (1) out real cool	Who don't know what a man's about
Taking me (2) I ain't never been	Can you pay my bills
But now, you're (3) comfortable	Can you pay my telephone bills
Ain't doing those things you did no more	Can you pay my automo-bills
You're slowly (4) me pay for things	If you did then maybe we could chill
Your money should be handling	I don't (18) you do
And now you ask to use my car (car)	So, you and me are through
Drive it all day and don't (5) up the tank	Can you pay my bills
And you have the audacity to even come and step to me	Can you pay my telephone bills
Ask to (6) some money from me	Can you pay my automo-bills
Until you get your check nextweek	If you did (19) maybe we could chill
You trifling, good for (7) type of brother	I don't think you do
(Oh) (8) me, why haven't I found another	So, you and me are through
A baller	You trifling, good for nothing type of brother
When times get hard he's the one to (9) me out	(Oh) silly me, why haven't I found another
Instead of a scrub like you	You trifling, good for (20) type of brother
Who don't know what a man's about	(Oh) (21) me, why haven't I (22)
Can you pay my bills	another
Can you pay my (10) bills	You trifling, good for nothing (23) of brother
Can you pay my automo-bills	(Oh) (24) me, why haven't I found another
If you did then maybe we could chill	You trifling, good for nothing (25) of brother
I don't think you do	(Oh) silly me, why haven't I (26) another
So, you and me are through	Can you pay my bills
Now you've been maxing out my (11) (card)	Can you pay my telephone bills
Givin' me bad credit	Can you pay my automo-bills
Buyin' gifts with my own name	If you did then maybe we could chill
Haven't paid the (12) bill	I don't think you do
But you're steady (13) to the mall	So, you and me are through
Goin' on (14) sprees	Can you pay my bills
Perpetrating to your friends like you be ballin'	Can you pay my telephone bills
And then you use my cell phone (phone)	Can you pay my automo-bills
Calling whoever that you think at home and then	If you did then maybe we could chill
When the bill comes all	I don't think you do
Of a sudden you be acting dumb	So, you and me are through
Don't know where none of these calls (15) from	Can you pay my bills
When (16) momma's number's here more than	Can you pay my telephone bills
once	Can you pay my automo-bills
You trifling, good for nothing type of brother	If you did then maybe we could chill
Silly me, why haven't I found another	I don't think you do
