

## Fill in the gaps

Little (1) on the hillside	And drink their (8) dry
Little boxes made of ticky tacky	And (9) all have pretty children
Little boxes on the hillside	And the children go to school
Little boxes all the same	And the children go to summer camp
There's a (2) one and a green one	And then to the university
And a blue one and a yellow one	Where they are put in boxes
And they're all made out of (3) tacky	And they come out all the same
And they all (4) just the same	Boys go into business
And the people in the houses	And marry and raise a family
All went to the university	In boxes made of ticky tacky
Where they were put in boxes	And they all look just the same
And they came out all the same	There's a pink one and a green one
And there's doctors and lawyers	And a (10) one and a yellow one
And business executives	And they're all made out of ticky tacky
And they're all (5) out of ticky tacky	And they all look just the same
And (6) all look just the same	
And they all play on the (7) course
