

Fill in the gaps

You Are More by Tenth Avenue North

There's a girl in the corner	You've (12) remade
With tear (1) on her eyes	You are more than the choices that you've made
From the places she's wandered	You are more than the sum of your past mistakes
And the (2) she can't hide	You are more (13) the problems you create
She says, "How did I get here?	You've been remade
I'm not who I once was	'Cause this is not (14) (15) you've
And I'm crippled by the fear	done
That I've (3) too far to love"	But what's been done for you
But don't you know who you are	This is not about (16) you've been
What's been (4) for you?	But where your brokenness (17) you to
Yeah, don't you know who you are?	This is not about what you feel
You are (5) (6) the choices	But what he felt to forgive you
(7) you've made	And what he felt to make you loved
You are more than the sum of your (8) mistakes	You are more than the (18) (19)
You are more than the (9) you create	you've made
You've been remade	You are more than the sum of (20) (21)
Well she tries to believe it	mistakes
That she's been given new life	You are more (22) the problems you create
But she can't shake the feeling	You've been remade
That it's not true tonight	You are more than the choices that you've made
She knows all the answers	You are more than the sum of your past mistakes
And she's rehearsed all the lines	You are (23) (24) the problems you
And so she'll try to do better	create
But then she's too weak to try	You've (25) remade
But don't you know who you are?	You've been remade
You are more than the (10) that you've	You've been remade
made	You've been remade
You are (11) than the sum of your past mistakes	You've been remade
You are more than the problems you create
