

## Fill in the gaps

A million miles away
Your signal in the distance
To whom it may concern
I think I (1) my way
Getting good at starting over
Every time that I return
I'm learning to walk again
I believe I've waited long enough
Where do I begin?
I'm learning to talk again
Can't you see I've (2) long enough
Where do I begin?
Do you (3) the days
We built these paper mountains
Then sat and watched them burn
I think I (4) my place
Can't you feel it growing stronger
Little conquerors
I'm learning to (5) again
I believe I've waited long enough
Where do I begin?
I'm learning to talk again
I believe I've (6) long enough
Where do I begin?
Now
For the very first time
Don't you pay no mind
Set me free
Again

You keep alive a moment at a time

But still inside a whisper to a riot To sacrifice but knowing to survive The first to climb another state of mind I'm on my knees, I'm praying for a sign Forever, whenever I never wanna die I never wanna die I never (7)\_ I'm on my knees I never wanna die I'm dancing on my grave I'm running through the fire Forever, whenever I never (8)\_\_\_ I never wanna leave I never say goodbye Forever, whenever Forever, whenever I'm learning to walk again I believe I've (9)\_\_\_ \_ long enough Where do I begin? I'm learning to talk again Can't you see I've waited long enough Where do I begin? I'm learning to walk again \_\_\_\_ long enough I believe I've (10)\_\_\_\_\_ I'm learning to talk again
