

## Fill in the gaps

A million miles away		But still inside a whisper to a riot	
Your signal in the distance		To sacrifice but knowing to survive	
To whom it may concern		The first to (14)	another state of mind
I think I (1) my way		I'm on my knees, I'm praying for a sign	
Getting (2) at starting over		Forever, whenever	
Every time that I return		I (15) (16)	die
I'm learning to (3) again		I never wanna die	
I (4) I've (5) lor	ng enough	I never (17) die	e
Where do I begin?		I'm on my knees	
I'm learning to talk again		I never wanna die	
Can't you see I've (6) long enough		I'm dancing on my grave	
Where do I begin?		I'm (18) th	rough the fire
Do you remember the days		Forever, whenever	
We built these (7) mountains		I never wanna die	
Then sat and (8)(9)	burn	I never wanna leave	
I think I found my place		I (19) say goodbye	
Can't you feel it growing stronger		Forever, whenever	
Little conquerors		Forever, whenever	
I'm (10) to walk again		I'm learning to walk again	
I believe I've (11) long enough		I believe I've waited long enough	
Where do I begin?		Where do I begin?	
I'm learning to talk again		I'm (20)	to talk again
I believe I've waited long enough		Can't you see I've waited long enough	
Where do I begin?		Where do I begin?	
Now		I'm learning to (21)	_ again
For the very first time		I believe I've waited long enough	
Don't you pay no mind		I'm (22)	to talk again
Set me free		Can't you see I've (23)	long enough
Again			
You (12) alive a (13)	at a time
