

Man In The Mirror by Michael Jackson

(Ooh ooh ooh aah)
'm gonna make a change
For once in my life
t's gonna (1) real good
Gonna make a difference
Gonna make it right
As I turned up the collar on
My favorite (2) coat
This wind is blowing my mind
see the kids in the street
With not enough to eat
Who am I to be blind
Pretending not to see their need
A summer's disregard
A broken bottle top
And a one man's soul
They follow each other on the (3) ya' know
Cause they got nowhere to go
That's why I (4) you to know
'm starting with the man in the mirror
'm (5) him to change his ways
And no message could have been any clearer
f you wanna make the world a better place
Take a look at yourself and then make a change
(Na na na, na na na, na na na na oh ho)
've been a victim of
A selfish kinda love
t's time that I realize

There are some with no home

SUB
Not a nickel to loan
Could it be really me
Pretending that they're not alone
A willow deeply scarred
Somebody's broken heart
And a washed out dream (washed out dream)
They follow the pattern of the wind ya see
'Cause they got no place to be
That's why I'm starting with me
I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a change
Take a look at yourself and then make a change
Take a look at yourself and then make a change I'm (6) with the man in the mirror
