

Fill in the gaps

You're never gonna love me	Could you give yourself to me
So what's the use	'Cause the night is your woman
What's the point of playing	And she'll set you free
A (1) you're gonna lose	You're too proud to say
What's the point in saying	That you (4) a mistake
You love me like a friend	You're a coward till the end
What's the point in saying	I don't (5) admit
It's never gonna end	That we're not gonna fit
You're too proud to say	No, I'm not the type
That you made a mistake	That you like
You're a coward (2) the end	Why don't we (6) pretend
I don't wanna admit	Lies
That we're not gonna fit	Don't wanna know, don't wanna know
No, I'm not the type	I
That you like	Can't let you go, can't let you go
Why don't we (3) pretend	I just want it to be perfect
Lies	To believe it's all (7) worth the fight
Don't wanna know, don't wanna know	Lies
I	Don't wanna know, don't wanna know
Can't let you go, can't let you go	Lies
I just want it to be perfect	Don't (8) know, don't wanna know
To believe it's all been worth the fight	I
Lies	Can't let you go, can't let you go
Don't wanna know, don't wanna know	I just want it to be perfect
You only ever touch me	To believe it's all (9) worth the fight
In the dark	Lies
Only if we're drinking	Don't wanna know, don't wanna know
Can you see my spark	
And only in the evening
