

Fill in the gaps

You're (1) gonna (2) me	Could you give (7)	to me
So what's the use	'Cause the night is your woman	
What's the point of playing	And she'll set you free	
A game you're gonna lose	You're too (8) to say	
What's the point in saying	That you made a mistake	
You love me like a friend	You're a coward till the end	
What's the point in saying	I don't wanna admit	
It's never gonna end	That we're not gonna fit	
You're too proud to say	No, I'm not the type	
That you (3) a mistake	That you like	
You're a (4) till the end	Why don't we just pretend	
I don't wanna admit	Lies	
That we're not gonna fit	Don't wanna know, don't wanna know	
No, I'm not the type	1	
That you like	Can't let you go, can't let you go	
Why don't we just pretend	I just want it to be perfect	
Lies	To believe it's all been worth the fight	
Don't wanna know, don't wanna know	Lies	
I	Don't wanna know, don't (9)	_ knov
Can't let you go, can't let you go	Lies	
I just (5) it to be perfect	Don't wanna know, don't wanna know	
To (6) it's all been worth the fight	I	
Lies	Can't let you go, can't let you go	
Don't wanna know, don't wanna know	I just want it to be perfect	
You only ever touch me	To believe it's all been worth the fight	
In the dark	Lies	
Only if we're drinking	Don't wanna know, don't wanna know	
Can you see my spark		
And only in the evening
