Through The Rain by Mariah Carey

Fill in the gaps

•••	i noid tighter to my faith
When you get caught in the rain	And I live one more day
With nowhere to run	And I make it (6) the rain
When you're distraught	And when the wind blows
And in pain without anyone	And shadows (7) close
And you feel so far away	Don't be afraid
That you just can't find (1) way home	There's nothing you can't face
You can get there alone, it's ok	And (8) they tell you
What you say is	You'll never pull through
I can make it through the rain	Don't hesitate
I can stand up once again	Stand tall and say
On my own and I know	I can make it through the rain
That I'm strong enough to mend	I can stand up once again
And every time I feel afraid	On my own and I know
I hold tighter to my faith	That I'm strong enough to mend
And I live one more day	And every time I feel afraid
And I make it through the rain	I (9) tighter to my faith
And if you keep falling down	And I live one more day
Don't you dare give in	And I make it through the rain
You (2) arise safe and sound	I can make it through the rain
So (3) pressing on steadfastly	Can stand up once again
And you'll find what you need to prevail	And I'll live one more day, and I
What you say is	I can make it (10) the rain
I can make it through the rain	Oh yes you can
I can (4) up once again	You're gonna make it through the rain
On my own and I know	
That I'm strong (5) to mend	
And every time I feel afraid
