But I'm here in my mold

Fill in the gaps

Bitter Sweet Symphony by The Verve

'Cause it's a bittersweet symphony, this life	I am here in my mold
Trying to make (1) meet	And I'm a million (5) people
You're a slave to money then you die	From one day to the next
I'll take you down the only road I've ever been down	I can't change my mold
You (2) the one that takes you to the places	No, no, no, no
Where all the veins meet, yeah	I can't change and you know
No change, I can change	I can't change it
I can change, I can change	'Cause it's a bittersweet symphony, this life
But I'm here in my mold	Trying to (6) ends meet
I am here in my mold	Trying to find (7) money then you die
But I'm a million different people	You know I can change, I can change
From one day to the next	I can change, I can change
I can't change my mold	But I'm here in my mold
No, no, no	I am here in my mold
Well, I've never prayed	And I'm a million different people
But tonight I'm on my knees, yeah	From one day to the next
I need to hear some sounds	I can't change my mold
That (3) the pain in me, yeah	No, no
I let the (4) shine	No, no, no
Let it cleanse my mind, I feel free now	
But the air waves are clean	I'll (8) you down the (9) road I've ever
And there's nobody singing to me now	been down
No change, I can change	I'll take you down the only road I've ever been down
I can change, I can change
