## Get It Started by Pitbull & Shakira

To these rappers I apologize	We can get started
I know it ain't fair	You know it feels right
Only ball I drop	I am what (6) (7) I'd never
New Year's, Times Square	become
The world is mine	I (8) and became it
Sixth sense	Now I'm here to claim it
I see the seven signs	I hustle anything, you name it, name it
Now baby	I went from eviction to food stamps
Let's get started for life	To bagging work
Every time I look into your eyes (Mr. Worldwide)	Wet and damp
I feel like I could stare in them for a lifetime	To a passport, flooded with stamps
We can get started for life (tonight, tonight)	Now it's Voli everywhere I land
For (1) (tonight, tonight)	Two passports, three cities
For life (tonight, tonight)	Two countries, one day
We can get started for life (tonight, tonight)	Now that's worldwide
For life (tonight, tonight)	If you think it's a game, let's play (dale)
For life (tonight, tonight)	'Cause if it feels right (you know it feels right)
We can get started	We shouldn't waste any more time
You know it feels right	Let's get it started (let's get it started)
Big news, Pitbull	Don't think about it (let's get it started)
Tom Cruise, Mumbai	You know I'm going to make it alright, alright (let's go)
I lit up their (2) nights	'Cause if it feels right (you (9) it feels right)
Like the (3) of July, (4) sky	You know I made up my mind
Thriller	Let's get it started (let's get it started)
In Manila	Don't think about it (let's get it started)
Knocking them out like (Pacquiao)	I know that we can make it alright, alright
No Ali, no Frazier	Every time I look into your eyes
But for now it's off to Malaysia	I feel like I could stare in them for a lifetime
Two passports, three cities	We can get started for life (tonight, tonight)
Two countries, one day	For life (tonight, tonight)
Now that's worldwide	For life (tonight, tonight)
If you think it's a game, let's play (dale)	We can get started for life (tonight, tonight)
Every time I look (5) your eyes	For life (tonight, tonight)
I feel like I could stare in them for a lifetime	For life (tonight, tonight)
We can get started for life (tonight, tonight)	We can get started
For life (tonight, tonight)	Don't start what you can't finish
For life (tonight, tonight)	You know it feels right
We can get started for life (tonight, tonight)	Let's go
For life (tonight, tonight)	You know it (10) right
