

For life (tonight, tonight)

## Fill in the gaps

To these rappers I apologize	We can get started
I know it ain't fair	You know it (4) right
Only ball I drop	I am what they (5) I'd never become
New Year's, Times Square	I believed and became it
The world is mine	Now I'm here to claim it
Sixth sense	I hustle anything, you name it, name it
I see the seven signs	I went from eviction to food stamps
Now baby	To (6) work
Let's get started for life	Wet and damp
Every time I (1) into your eyes (Mr. Worldwide)	To a passport, flooded with stamps
I feel like I could stare in them for a lifetime	Now it's Voli everywhere I land
We can get started for life (tonight, tonight)	Two passports, three cities
For life (tonight, tonight)	Two countries, one day
For (2) (tonight, tonight)	Now that's worldwide
We can get started for life (tonight, tonight)	If you think it's a game, let's play (dale)
For life (tonight, tonight)	'Cause if it feels right (you know it feels right)
For life (tonight, tonight)	We shouldn't (7) any more time
We can get started	Let's get it (8) (let's get it started)
You know it feels right	Don't think about it (let's get it started)
Big news, Pitbull	You know I'm going to make it alright, alright (let's go)
Tom Cruise, Mumbai	'Cause if it feels right (you know it feels right)
I lit up their December nights	You know I made up my mind
Like the Fourth of July, vanilla sky	Let's get it started (let's get it started)
Thriller	Don't think about it (let's get it started)
In Manila	I know that we can make it alright, alright
Knocking them out like (Pacquiao)	Every time I look into your eyes
No Ali, no Frazier	I feel like I could stare in them for a lifetime
But for now it's off to Malaysia	We can get started for life (tonight, tonight)
Two passports, three cities	For (9) (tonight, tonight)
Two countries, one day	For life (tonight, tonight)
Now that's worldwide	We can get started for life (tonight, tonight)
If you think it's a game, let's play (dale)	For life (tonight, tonight)
Every time I look into your eyes	For life (tonight, tonight)
I feel like I could stare in (3) for a lifetime	We can get started
We can get started for life (tonight, tonight)	Don't start (10) you can't finish
For life (tonight, tonight)	You know it feels right
For life (tonight, tonight)	Let's go
We can get started for life (tonight, tonight)	You know it feels right
For life (tonight, tonight)
