

Fill in the gaps

One day	And your great, great granddaughter
When I (1) home	Is doing fine
At lunchtime	Doing fine
I (2) a funny noise	I took a (13) to the year 3000
Whet out	This song had (14) multi platinum
To the backyard	Everybody (15) our seventh album
To find out	It had (16) Kelly Clarkson
If it was one of those rowdy boys	I took a trip to the (17) 3000
Stood there	This song had (18) multi platinum
With my neighbor	Everybody bought our seventh album
Called Peter	He told me he (19) a time machine
And a flux capacitor	Like the one in the film I've seen
He (3) me he (4) a time machine	Yeah
Like the one in the (5) I've seen	I've been to the year three thousand
Yeah	Not much has changed but they (20)
He said	(21) water
I've been to the year three thousand	And your great, great, (22) granddaughter
Not (6) has changed but (7) lived under	Is doing fine
water	Doing fine
And your great, great, (8) granddaughter	
Is doing fine	He said
Doing fine	I've been to the year three thousand
He took me	Not much has changed but they lived under water
To the future	And your great, great granddaughter
In the flux thing	Is doing (23) (is doing fine, is (24)
And I saw everything	fine)
Boybands	He said
And another one	I've been to the year three thousand
And another one	Not much has changed but they lived under water
And (9) one	And your great, great, great granddaughter
Girls there	Is (25) fine
With round hair	Doing fine
Like (10) wars	He said
Float (11) the floor	I've been to the year three thousand
We drove around in a time machine	Not much has changed but they lived under water
Like the one in the (12) I've seen	And (26) great (27) (28)
Yeah	granddaughter
(Oh)	Is (29) fine
He said	Doing fine
I've been to the year three thousand	(Ha)
Not much has changed but they lived under water
