Fill in the gaps

All The Man That I Need by Whitney Houston

(1) to cry myself to (2)	at night	More love (7) I've ever seen
But that was all before he came	3	He's all I've got
thougt love had to hurt to turn out right		He's all I've got in this world
But now he's here		But he's all the man that I need
t's not the same		He (8) me up
t's not the same		He gives me love
He fills me up		More love than I've ever seen
He gives me love		He's all I've got
More love than I've ever seen		He's all I've got in this world
He's all I've got		But he's all the man (9) I need.
He's all I've got in (3) world		He fills me up
But he's all the man that I need		He gives me love
And in the morning when I kiss his eyes		More, more love, more love
He takes me (4) and rocks me slow		More love
An in the (5) (6)	the moon is	He's all I've got
nigh		He's all I've got in this world
He holds me close		But he's all the man, all the man
And won't let go		
He won't let go		
He fills me up
