

## Fill in the gaps

### Rolling In The Deep (Cover) by VÃ¡zquez Sounds & Adele

There's a fire starting in my heart  
Reaching a fever pitch and it's bringing me out the dark  
Finally, I can see you crystal clear  
Go ahead and sell me out and I'll lay your ship bare  
See how I'll leave every piece of you  
Don't underestimate the things that I will do  
There's a fire starting in my heart  
Reaching a fever pitch and it's bring me out the dark  
The scars of your love remind me of us  
They keep me thinking that we almost had it all  
The scars of (1)\_\_\_\_\_ love, they leave me breathless  
I can't help feeling  
We could have had it all...  
Rolling in the deep...  
You had my heart inside your hand  
But you played it with the beat  
Baby, I have no story to be told  
But I've (2)\_\_\_\_\_ one on you  
And I'm gonna make your head burn  
Think of me in the depths of your despair  
Make a home down (3)\_\_\_\_\_ as mine sure won't be shared  
The scars of your love remind me of us  
They keep me thinking that we almost had it all  
The scars of your love, they leave me breathless  
I can't help feeling  
We could (4)\_\_\_\_\_ had it all...  
Rolling in the deep...

You had my heart inside your hand  
But you played it with the beat  
We could have had it all...  
Rolling in the deep...  
You had my heart inside your hand  
But you played it (5)\_\_\_\_\_ a beating  
Throw (6)\_\_\_\_\_ soul through every (7)\_\_\_\_\_ door  
Count your blessings to find (8)\_\_\_\_\_ your look for  
Turn my (9)\_\_\_\_\_ into treasured gold  
You'll pay me back in kind  
And reap just what you've sown  
We could have had it all...  
We could have had it all...  
It all, it all, it all  
We could have had it all...  
Rolling in the deep...  
You had my (10)\_\_\_\_\_ inside your hand  
But you played it with the beat  
We could have had it all...  
Rolling in the deep...  
You had my heart inside your hand  
But you played it  
You played it  
You played it  
You played it to the beat

## Fill in the gaps

Answer

1. your
