Fill in the gaps

Rolling In The Deep (Cover) by VÃ;zquez Sounds & Adele

There's a fire starting in my heart	You had my heart inside your hand
Reaching a fever pitch and it's bringing me out the dark	But you played it with the beat
Finally, I can see you crystal clear	We could have had it all
Go ahead and sell me out and I'll lay your ship bare	Rolling in the deep
See how I'll leave every piece of you	You had my heart (6) your hand
Don't underestimate the things that I will do	But you played it with a beating
There's a fire starting in my heart	Throw your soul through every open door
Reaching a fever pitch and it's bring me out the dark	Count your blessings to find what your look for
The scars of your love remind me of us	Turn my sorrow into treasured gold
They keep me thinking that we (1) had it all	You'll pay me back in kind
The scars of your love, they (2) me breathless	And reap (7) what you've sown
I can't help feeling	We could have had it all
We could have had it all	We could have had it all
Rolling in the deep	It all, it all, it all
You had my heart inside your hand	We could have had it all
But you played it with the beat	Rolling in the deep
Baby, I have no story to be told	You had my heart inside your hand
But I've heard one on you	But you (8) it with the beat
And I'm (3) make your head burn	We could have had it all
Think of me in the depths of your despair	Rolling in the deep
Make a home down (4) as mine sure won't be	You had my heart inside (9) hand
shared	But you played it
The scars of your love remind me of us	You played it
They keep me thinking that we almost had it all	You played it
The scars of your love, they leave me breathless	You played it to the beat
I can't help feeling	
We (5) have had it all
