## Rolling In The Deep (Cover) by Vázquez Sounds

There's a (1) starting in my	heart	You had my (6)	inside your hand
Reaching a fever pitch and it's bringing me out the dark		And you played it to the beat	
Finally, I can see you crystal clear		We could have had it all	
Go ahead and sell me out and a I'll lay your ship bare		Rolling in the deep	
See how I'll leave with every piece of you		You had my (7)	inside your hand
Don't underestimate the things that I will do		But you played it with a beating	
There's a fire starting in my heart		Throw your soul through (8) open door	
Reaching a fever pitch and it's bring me out the dark		Count your blessings to find what you look for	
The scars of (2) love remind me of us		Turn my sorrow into treasured gold	
They keep me thinking (3) v	we almost had it all	You'll pay me back in l	kind
The scars of your love, (4) I	eave me breathless	And reap (9)	what you've sown
I can't help feeling		We could have had it all	
We could have had it all		We could have had it all	
Rolling in the deep		It all, it all, it all	
You had my heart inside your hand		We could have had it all	
And you played it to the beat		Rolling in the deep	
Baby, I have no story to be told		You had my heart inside your hand	
But I've heard one on you		And you played it to the beat	
And I'm gonna make your head burn		We could have had it all	
Think of me in the depths of your despair		Rolling in the deep	
Make a home down there as (5) sure won't be		You had my heart inside your hand	
shared		But you played it	
The scars of your love remind me of us		You played it	
They keep me thinking that we almost had it all		You played it	
The scars of your love, they leave me breathless		You played it to the beat	
I can't help feeling			
We could have had it all
