

Fill in the gaps

	Don't (6) if you're not around
Was gonna (1) you these flowers tonight	So tell me what am I gonna do with forever now?
Was gonna ask you to stay	What do I do now?
Practiced so that I would say it just right	Everything you said we would be
But now there are no (2) to say	All the things you (7) we do
As I (3) you (4) him softly	I will run my life around the (8) of me and
The same way you kissed me	you
Ask me what am I gonna do with forever now?	And I scream what am I gonna do with forever now?
Tell me what am I gonna do with forever now?	(What do I do what do I do?)
(Oh oh)	Tell me what am I gonna do with forever now?
All the plans we've made	(What do I do what do I do?)
Don't work if you're not around	All the plans we've made
So (5) me what am I gonna do with forever now?	Don't work if you're not around
What do I do now?	So tell me what am I (9) do with forever now?
What do I do now?	What do I do now?
In slow motion I let these flowers hit the ground	What do I do now?
And right before I turn to leave	What do I do now?
I watch you kiss him softy then look up and see me	What do I do, what do I do now?
And I scream what am I gonna do with forever now?	What do I do now?
	What do I do, (10) do I do now?
Tell me what am I gonna do with forever now?	What do I do now?
(Oh oh)
