

Well, I woke up to the sound of silence the cars

Were cutting like knives in a fist figh

And I found you with a bottle of wine

Your head in the curtains

And heart like the Fourth of July

You swore and said "we are not"

"We are not shining stars"

This I know

I never said we are

Though I've never been

Through hell like that

I've closed enough windows

To know you can never look back

If you're lost and alone

Or you're sinking like a stone

Carry on...

May your past be the sound

Of your feet upon the ground

Carry on...

Carry on, (1)_____ on

So I met up

With some friends at the edge of the nigh

At a bar off 75

And we talked and talked

About how our (2)_

All our neighbours and wives

But I'd like to think

I can cheat it all

To make up for the times I've been cheated on

And it's nice to know

When I was left for dead

I was found and now I don't roam these streets

I am not the ghost you want of me

If you're lost and alone

Fill in the gaps

Or you're sinking (3)

May your past be the sound	
Of your feet upon the ground and

(Woah)
