

Fill in the gaps

Well, I woke up to the sound of silence the cars	Or you're sinking like a stone
Were cutting (1) knives in a fist figh	Carry on
And I found you with a (2) of wine	May your past be the sound
Your head in the curtains	Of your feet (16) the ground and
And (3) like the (4) of July	Carry on
You (5) and said "we are not"	(Woah)
"We are not shining stars"	My head is on fire
This I know	But my legs are fine
I (6) said we are	After all they are mine
Though I've never been	Lay (17) clothes down on the floor
Through hell (7) that	Close the door
I've (8) enough windows	Hold the phone
To (9) you can never look back	Show my how
If you're lost and alone	No one's is ever (18) to (19) us now
Or you're sinking like a stone	'Cause we are
Carry on	We are shining stars
May your past be the sound	We are invincible
Of your (10) upon the ground	We are who we are
Carry on	On our (20) day
Carry on, (11) on	When we're (21) away
So I met up	So we will come
With some friends at the edge of the nigh	We (22) find our way home
At a bar off 75	If you're lost and alone
And we talked and talked	Or you're sinking a stone
About how our parents will die	Carry on
All our (12) and wives	May your past be the sound
But I'd like to think	Of your feet upon the ground and
I can cheat it all	Carry on
To (13) up for the times I've been cheated on	
And it's (14) to know	Carry on, carry on
When I was left for dead	Carry on, (23) on
I was found and now I don't roam these streets	
I am not the ghost you (15) of me	
If you're lost and alone
